

## Create a Display of the Month

Have an idea or items you would like to display and share? Volunteers can have a chance to curate a display highlighting a hobby, project or theme you may feel passionate about and want to exhibit.

The Display Case is situated in the front lobby of the Library just before the sliding doors. Artists, staff, and community members have created a thematic display that stays within the case for a month.

All projects must be approved by the Director of the library.

Please contact [childrensdepartment@montvale.bccls.org](mailto:childrensdepartment@montvale.bccls.org) if you are interested and would like to choose a month you would like to participate in.
