

Virtual/In-person Program Outline.

Below is an outline that Volunteers are required to complete and submit for approval

1. What is your topic or content (what activities do you plan to include? Stories with crafts, tutorials, experiments, challenges and overall interactivity are good activities to think about.)
2. Who is your audience (what age group?)
3. When are you available to give the program?
4. What time of day would the program be? M-TH 3:45- 4:00 pm time slots are most successful.
4. Frequency of the program (Is this a one time program or a session? ie. 1 x a mth or 1 x a week?)
5. How long is your program? (we find 1/2 hr works best)
7. Interface (We like Zoom and can provide a Zoom link for you)

Once this is completed we would have a discussion to see how we may fit this into our programming.

This can be done alone or with a group of no more than 3 (all will get the hours of course).
